PLACE
ACQUIRED

NO. OF ENCLS. 1
(LISTED BELOW)

DATE OF INFO. 25X1A

SUPPLEMENT TO
REPORT NO.

25X1X

File
556

Production figures for the chemical industry are given in the attachment. They are divided according to type of factory: VEB under the HV Chemie, other VEB, and total for German factories. The difference between the figure for VEB and the total represents the production in private factories. SAGs are not included. Figures are in tons unless otherwise noted.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 13 October 1978 from the
Director of Central Intelligence to the
Archivist of the United States.
